Dear Ms. Fedyk:

I wish to extend my congratulations on the Saskatchewan Waste Reduction Council's recent green achievement.

Being a leader in Saskatchewan and passing The Institute for Green Business Certification standards is a commendable triumph. I hope that many other companies in the province follow suit in becoming green certified.

I look forward to speaking at the Waste Reduction awards on April 18<sup>th</sup>. I am sure it will be an enjoyable evening.

Once again, congratulations on this accomplishment.

Sincerely,
